# Here for patients, for longer

**Evening and weekend appointments  
now available**

A guide for practice staff

Practices can now book extended hours GP+ appointments for patients directly through an EMIS shared appointment book.

Appointments are initially available at two hubs:

**Waterside Medical Centre**

Court Street,  
Leamington Spa  
CV31 2BB

**Trinity Court Surgery**

Arden Street,  
Stratford-upon-Avon  
CV37 6HJ

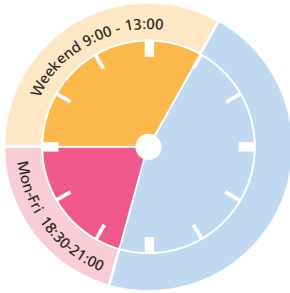

**Booking appointments for patients:**

Consider the most appropriate service using the table (see opposite) or refer to the 'When to use GP+' guide.

Book appointments and confirm the location and clinician with the patient.

*Please note, this is an evolving service. Practice managers will be kept up to date on any service changes.*

## Key messages for patients

- SWGP+ offers pre-bookable appointments to make it easier for those who can't easily attend appointments during normal practice hours.
- You can now book appointments to see a GP, nurse or pharmacist on weekday evenings or weekends.
- Extended services will be offered from two centrally accessible hubs, one in Stratford-upon-Avon and one in Leamington Spa.
- If your child needs an urgent appointment after school, you can book same day appointments in our Paediatric Clinic, every weekday from 6pm-9pm.
- Speak to your practice receptionist to book GP+ appointments. All appointments must be booked in advance.
